

SAPIENT

Columbia University's Undergraduate Journal of
Biological Anthropology

We are an undergraduate online journal and accept academic submissions of up to 4,000 words (or 15 pages), works of creative writing/poetry, and visual art pertaining to areas related to the biological and behavioral aspects of humans and their closest relatives, the non-human primates.

Have you written a paper, produced a piece of visual art, or creative writing/poetry that you are proud of pertaining to one of the following topics?

Human Evolution
Primate behavior and ecology
Human genetics/variation/adaptation
Paleoarchaeology
